V-neck pullover style with cord ties makes it easy to put on and remove. Seed stitch empire waist with increases at the front of chest creates a lovely drape. Sizes 3 to 24 months. ## Notes

Tunic is knit back and forth on a longer circular needle from the top down with raglan style increasing for the sleeves. After sleeve stitches are put on a holder, the body is joined and worked in the round on a 16-inch circular. Sleeves are worked in the round on double pointed needles.

The yarn is a DK weight yarn made from sugarcane. Substitute a yarn with a lot of drape to it - silk, bamboo, soy, or corn would also work well.

Work the first and last 4 stitches of every row in Seed Stitch unless otherwise noted. Move stitch markers as you come to them or as noted.

Sample knit with 1 Ruca Solid by Araucania (100% sugarcane; 100 grams/skein; 263 yards/241 meters) in color 116.
